# SYSTEM BROCHURE

# B E I N S P I R E D

Enter the inspiring world of Coulisse window coverings. An exciting world of design inspired by fashion, art, architecture, nature, technology and beauty. A stimulating world that challenges our imagination about what else window coverings can be, offering safety, prevention, well-being, comfort and convenience in a way that embodies efficiency and simplicity. And a purposeful world that aims at being good for people, the planet and the environment.

Discover our world and be inspired.

## COLLECTIONS

We offer a wide range of collections, varying from screen, wood and aluminum to leather. All collections are inspired by fashion, art, architecture, nature, technology and beauty.

## MOTION

Our revolutionary automation concept, with ground-breaking motorization solutions for homes and buildings, is easy to install and simple to operate: it makes motorization accessible for everyone.

## SYSTEMS

Our modular technology is designed for great optics, ultimate convenience and maximum safety. Thanks to the modular design, endless configurations can be created with a minimum number of parts.

## T O T A L   C O N C E P T

Coulisse expresses its imaginative strength in inspiring collections and advanced system technology. As a one-stop-shop in window coverings, we provide seamless solutions that meet the ever-changing demands in the market. Our product range consists of a wide and complete variety of collections, systems and automation offering different functionality, looks and styles.

Discover our total concept.
